

Society for CUS Fellowships 4th Annual Meeting April 14th and 15th 2018!

SCUF
Society of Clinical Ultrasound Fellowships

Please join the Leading Interdisciplinary Experts in the developing subspecialty of Clinical Ultrasound (CUS) at the fourth annual Society for Clinical Ultrasound Fellowships (SCUF) Meeting April 14th and 15th, 2018 at the [Aresty Conference Center](#) on the campus of the University of Southern California in Los Angeles. This unique interdisciplinary meeting brings together CUS Fellowship Directors, Faculty and Fellows from across the United States and North America. This will be the ideal opportunity for you to showcase your company's latest technology to the CUS Purchasing Decision Makers.

Our theme for this year's epic event is "Innovation Through Collaboration". The agenda features interactive panel discussions with the CUS Thought Leaders on the development of Multi-Center Interdisciplinary Research Networks, creating CUS Competency from the Undergraduate through Practicing Clinician level, and the Development of an official CUS Match system. Additionally, hands on workshops provide time for small group instruction on developing applications with the recognized experts from across the CUS community utilizing today's top technology. Group meals, snacks and our interactive vendor area in the heart of the meeting space, will provide the ideal time for your team to connect and develop relationships with today's and tomorrow's CUS Pioneers and Decision Makers.

Our main conference hotel is the stunning [Westin Pasadena](#) located just a short uber away. Please be sure to book your room early to take advantage of conference discounts. Our annual SCUF Networking Gala will be held at a location nearby the conference hotel. This is a wonderful sponsorship opportunity to connect directly with the leaders of the CUS community. Updated agenda and details to be posted on our [conference webpage here](#) shortly.

Please plan to join us once again for this truly exceptional opportunity to connect with the Leaders of the CUS community.

Tarina Kang MD, Tim Jang MD, Alan Chiem MD, and Teresa Liu MD
Society for Clinical Ultrasound Fellowships Annual Meeting Committee

John Bailitz MD
Society for Clinical Ultrasound Fellowships President
